EDUCATION

Savannah College of Art and Design

Savannah, GA | Hong Kong

BFA Industrial Design 2021

Business Management & Entrepreneurship Minor

3.96 GPA | Dean's List 2017-Present

EXPERIENCE

NEC Designs | Dallas, TX

2016-Pres.

- Pioneered small handmade pottery business
- Expanded business online to reach nationwide
- Design, fabricate, and sell handmade products
- Facilitate all parts of business from finances to website design & physical displays

Snap-on Incorporated SCADpro

Sept-Nov 2020

Sponsored Course

- Collaborated in multidisciplinary team designing professional grade cycling tools for Snap-on
- Researched, conceptualized, and sketched ideas to understand opportunity for growth in tool industry
- Fabricated rapid prototypes, determining best ergonomic grip & forms for each tool

"Office Party" SCADPro Hackathon

April 2020

- Designed app to break down walls between coworkers amongst virtual working environments
- Collaborated with 3 team members of different disciplines in a 48 hour challenge
- Fabricated logo for "Office Party" app
- Presented product story, features, and benefits to industry professionals and peers

Resident Assistant | SCAD

Aug 2019-March 2020

- Cultivated an inclusive community among 40 residents
- Conducted conflict resolution, generating a positive atmosphere
- Created and organized interactive programs to teach residents new skills

PROFESSIONAL DEVELOPMENT

AT&T Summer Learning Academy

July 2020

- Engaged in workshops that improved my personal & professional development over a 4-week course
- Acted on advice from leaders across disciplines i.e. connecting with people of different perspectives & following curiosity

Be Original Americas Fellowship

June-Aug. 2020

- Engaged in presentations from industry professionals across art & design world
- Gained real-world insight into manufacturing processes, design journey, & intertwining of business & design
